Knowledge enables us to think and to generate ideas. We are all familiar with such sayings as "knowledge is power" and "ideas rule the world"

Oxford Grammar School (OGS) provides an excellent platform for students to hone their skills and innate talents, and that too, right from the kindergarten level. OGS does not just impart education, but equips children to face the challenges of their contemporary world.

Over the years, innumerable OGS students have won laurels for their sustained toil and intelligent application.

OGS students took part in the International Children's Film Festival (ICFF), held at Giffoni, Italy, since 2002. In sports such as tennis, cricket and chess, OGS students have brought home several honors adding even more feathers to the cap of OGS glory.

The alumni who are well settled at home and abroad is the endeavor of the holistic service rendered by us in the field of education for the past 28 years.
